

Welcome to The SHACK's East Bridge Landing Frisbee golf course! We're so happy that you have chosen to play Greybull's first golf course started in March of 2015. It is also the only public course in the Big Horn Basin which includes the counties of Big Horn, Park, Washakie and Hot Springs and the larger communities of Cody, Powell, Lovell, Worland and Thermopolis. On the back you will find a map of the course. In the mail box please find a score card for your convenience. Please sign the guest book. This is a fun way to note who has played the course and their home towns. Feel free to leave any helpful tips or encouragement. This course is registered on the www.DGcoursereview.com, www.pdga.com/course-directory/advanced, and

www.discgolfunited.com/disc-golf-courses. Please post a review of our course on any of these sites. Please play at your own risk.

Like most things in life there were many people involved in the development of this course (over 150 hours plus several community meetings). You will also notice the hole sponsors on each of the tee signs. These include: the Town of Greybull, Big Horn Co-Op, Greybull Recreation District, River Road Honey LLC, Wyoming Realty LLC, Smokehouse Saloon, Tom Newman- State Farm Insurance, The Burlington Place, and Dr. Waddell's Eye Care For You. Please express your appreciation to these businesses and organizations. Several individuals donated financially as well.

We know that you will respect the land and equipment in the park

and on the course. To help with this we have provided trash cans on the course. Your help to keep the area free of trash and vandalism says a lot about you. There is also a small donation box. You can play the course for free but donations help with maintenance and the development of other courses in the community.

Again, thank you for playing on our course. If you are visiting we hope your time in Greybull and the surrounding area is enjoyable. Our Chamber of Commerce is located at 521 Greybull Ave or can be called at 307-765-2100. Thank you for choosing to visit our community. You can learn more about The SHACK by visiting www.TheGreybullSHACK.org or catch up with us on facebook.

Happy folging!
